

# PLUMBING SERVICE AGREEMENT

## GOLD PROTECTION PLAN

### PLUMBING SERVICE

We agree to provide you with a qualified Service Technician to inspect your plumbing system and related equipment. The maintenance services to be performed under this agreement include one Precision Check Up per year.

### EACH CHECK UP WILL INCLUDE:

- Toilet leaks tested
- Faucets performance tested
- Exposed water lines checked
- Sink piping checked
- Drains checked
- Washing machine hoses/valves tested
- Water heater flushed
- Water heater checked for leaks
- Thermal expansion checked

### EMERGENCY SERVICE

In support of the services set forth above, we will always be on call to respond on site to any maintenance or repair emergency concerning your plumbing system. Our emergency service technicians are available 24 hours a day, 7 days a week, through our network of emergency operators.

### PLAN BENEFITS

- Greater efficiency and capacity
- Prolonged equipment life
- Protection against inflation
- 10% discount on other services
- Preferred customer scheduling
- Agreement may be transferred
- Detailed report on your plumbing system
